## Pockets billiards fun el paso tx

We went to work for a couple of drinks on Thursday. Drinks and regular bar meals are offered daily. Some of the things that stand out. Full Loaded nachos (whipped cream, guacamole, salsa, and your choice of beef or chicken fajitas) ... large and very filling. Also, are the Wings delicious, especially the Cachanilla? (I think that's what they're called), was the right amount of spice and flavor. My friends had the burgers and said that they were also delicious. The food service is also fast, and it's great that you can pair it with one of the drenched beers or your favorite drink. I totally recommend it.
